List of Services

Rush Service – For a faster turnaround of 6-9 days, the rush fee is \$10 per unit per day. This fee is in addition to the standard fee for the restoration.

Express Service – When you need a restoration in 1-5 days, the fee is \$15 per unit per day rushed. For instance, if you need a PFM crown in a day, the rush fee will be \$135 (9 days rush fee on a standard 10 day turnaround schedule). This fee is in addition to the standard fee for the restoration. Please contact us to schedule Express cases.

Free Case Consultation – We are available to help you determine what type of restoration is best suited to your patient.

Free implant quotes – No matter what system you are using, we are happy to help you determine the expense before your case is started.

Free Custom Shades at our office – To ensure that a patient's crown will match adjacent teeth, we offer custom shades on an appointment basis.

References Available – We will be happy to provide you with the telephone numbers of current clients that have used us for many years for a variety of restorations.
